The Social Teahouse

The Social Teahouse in Varna is an emblematic for our city cultural point and an alternative space, which gives a first job and mentoring support to young people deprived of parental care or those coming from a risky family environment.

Whether for morning coffee and freshly baked waffles, a healthy working lunch or a meeting with a glass of wine with friends in the evening, the Teahouse is a place worth visiting (not only because it is delicious and pleasant with us).

You can be a partner of the The Social Teahouse by organizing your next event, company training or children's birthday with us.

Be part of our shared workspace at The Social Workspace.
